### **Sponsorship Benefits for Bridgewater Raiders Football Club**

Thank-you for allowing us to propose a sponsorship to your club. At Back In Motion, we pride ourselves on being “significant in the lives of others” and we see community sponsorship as a large part of this vision to be significant.

Firstly I would like to formally introduce ourselves to you as a health group. At Back in Motion our goal is to provide holistic patient care to all our clients, offering flexible consultation times, exclusive one-on-one treatment sessions in our rooms and providing a wide variety of treatment options.

Our services are as diverse as:

- Physiotherapy
- Pilates
- Massage
- Personal Training
- Group Classes
- Women’s Health
- Gym Rehabilitation
- Worksite Assessment
- Corporate Health
- Dry Needling

All our staff are skilled in treating a variety of musculoskeletal injuries including low back/neck pain, sports injuries, post-operative conditions, biomechanical abnormalities and many more, as well as setting up specific exercise programs to suit our clients needs.

We strongly believe in providing services to ensure and enhance life long health, not just short term relief. Our very successful program, ‘Results 4 Life’ enables us to work together with our clients to develop a management plan and time frame to ensure they reach their treatment goals and maintain them for the long term.
